Mrs C Eyley
Headteacher
Howard Primary School
The Square
Elford
Tamworth B79 9DB

20 December 2010

Dear Mrs. Eyley,

It gives me great pleasure to congratulate you on the excellent performance of your pupils in the 2010 national Key Stage 2 tests as published on 14 December.

Your results show that you are amongst the 100 top performing schools based on sustained improvement in Level 4+ performance each year from 2008 – 2010.

Mastery of English and mathematics is critical to success at secondary school and beyond, so these pupils have given themselves a really good start for secondary school.

I would like to congratulate your staff, governors and pupils for their hard work and success and to thank you for your leadership in continuing the drive towards the highest standards of educational achievement.

With best wishes.

Yours sincerely,

Nick Gibb MP

Primary league tables: Key Stage 2 results for 2010 - Telegraph - Windows Internet Explorer provided by Howard School

Today's KS2 league tables rank English primary schools on performance in English and maths tests taken by 11-year-olds. Schools are ranked by the percentage of pupils gaining Level 4 - the standard expected for their age group - in the two core subjects. As a tiebreaker, schools are sorted by their average points score and then by their "value-added" score. Please note: a quarter of schools boycotted tests this year following industrial action by the National Union of Teachers and National Association of Head Teachers, giving these schools scores of "zero" on all measures.
